Dear Dr. Wakefield,

On behalf of the 61 undersigned organizations representing the Nursing Community coalition, we would like to congratulate you on your appointment as Acting Deputy Secretary of the U.S. Department of Health and Human Services. Collectively, our organizations represent over one million registered nurses, advanced practice registered nurses, nurse faculty, researchers, and students, and we are committed to promoting efforts that advance the health of our nation through nursing care.

The Nursing Community applauds your commitment to improving access to health for millions of Americans. The work you have accomplished throughout your career exemplifies your determination to ensure that all Americans, regardless of where they live, receive the care they deserve from highly qualified providers. Additionally, as the first nurse to be serving in this role, your appointment is a milestone for the profession and has inspired nurses around the country.

Again, we extend well-deserved congratulations on your appointment, and look forward to future collaborations. If our organizations can be of resource to you, please do not hesitate to contact Convener of the Nursing Community, Dr. Suzanne Miyamoto, at Smiyamoto@aacn.nche.edu or 202-463-6930, ext. 247.
