COU RSE DESCRIPTION

This conference is designed to present a state-of-the-art understanding of dimensions of psychopharmacologic practice across the lifespan. The targeted audience includes advanced practice clinicians, clinical educators, psychiatric nurses, and other mental health professionals interested in enhancing their knowledge about the vast and rapidly growing developments in clinical psychopharmacology.

OFFERING:
• Intense study with expert faculty
• Challenging and innovative content
• Up to 23 continuing nursing education contact hours provided
• State of the science with clinical implications
• Up to 23 continuing nursing education contact hours provided
• Challenging and innovative content
• Intense study with expert faculty

Earn up to 23 continuing education contact hours Thursday – Sunday. Schedule is subject to change. APNA reserves the right to make program changes as necessary, and the right to cancel sessions if events occur beyond reasonable control of APNA.

HOTEL

A limited number of discounted rooms have been reserved at the Hyatt Regency Reston, available on a first-come, first-served basis until June 6, 2013. The APNA Group Rate is $139 per night for single/double rooms, Thursday – Sunday. Room reservations may be made by calling 1-888-421-1442 or online at https://resweb.passkey.com/go/APNA2013. If you call, refer to both APNA and the CPI Conference to receive the reduced rate. Be sure to make your room reservations early.

Hyatt Regency Reston (in the Reston Town Center)<br>1800 Presidents Street, Reston, VA 20190<br>1-888-421-1442
