Jeanine will contact Matt Tierney about doing two round tables in Northern CA (perhaps SF, Monterey & Sacramento), he might also be willing to go to Southern CA.</p> <p>Alex volunteered to coordinate round table in Monterey. Other Topics	<p>Rosters are available that list members by geographic area of the state.</p> <p>Kathleen asked about how much time is needed to plan for a State wide conference if we are planning a conference for 2018 – Jeannine reports that it takes about 6 months of planning & that we could use the round table sessions to survey the attendees for what topics they would like to see at a State wide conference.</p> <p>The 2017 APNA National conference will be in Phoenix.</p>
