Competency Based Training for Suicide Prevention

Psychiatric-Mental Health Nurse Generalist Role

March 6, 2021

8:00am - 4:30pm Pacific Time

A Virtual Training

To register, please visit www.apna.org/APNAORRegister.

"I thoroughly enjoyed this training and appreciate its application to my practice as a registered nurse. I truly feel that this knowledge will change/save lives."

LEARN HOW TO:

- Perform a suicide risk assessment
- Develop a collaborative safety plan with the patient/family
- Demonstrate self-awareness of emotional reactions, attitudes, and beliefs related to previous experiences with suicide
- Discuss the phenomenology of suicide
- Describe risk and protective factors related to suicide
- Perform an environmental safety assessment

The American Psychiatric Nurses Association is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.
