The Northwell Health’s Institute for Nursing has created a professional practice environment to advance the art and science of nursing through the melding of nursing practice, research and education. To achieve maximum outcomes in these areas, all three components must work in collaboration with one another.

Northwell Health is New York State’s largest health care provider and private employer. With 21 hospitals and nearly 450 outpatient practices, we serve 8 million people in the metro New York and beyond. Our 61,000 employees work to change health care for the better. We’re making breakthroughs in medicine at the Feinstein Institute. We’re training the next generation of medical professionals at the visionary Hofstra Northwell School of Medicine and the School of Graduate Nursing and Physician Assistant Studies. And we offer health insurance through CareConnect. For information on our services in more than 100 medical specialties, visit Northwell.edu.

Institute for Nursing
400 Lakeville Road, Suite 220
New Hyde Park, NY 11042
Goal of the program: Attendees will increase their knowledge and awareness of current and upcoming Behavioral Health treatment practices.

Outcomes:
- Define the principles of recovery
- Identify how the wellness model can impact healing and recovery
- Ensure provider bias does not limit employment
- Identify the mental health needs of the LGBTQ community
- Describe the medication assisted treatment for opioid addition

Target Audience:
Nurses, APN’s, Students (EN, APN, Medical) and other healthcare providers, in a variety of practice settings interested in learning about the care and treatment of the Behavioral health population.

Continuing Education Credits:
Northwell Health - Institute for Nursing is an approved provider of continuing nursing education by the New Jersey State Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation Provider # 0045-11/19-26.
To earn a contact hour certificate, participants must stay for an entire presentation, complete & submit an evaluation form.

Disclosure Policy Information:
Northwell Health adheres to the American Nurses Credentialing Center’s Content Integrity Standards for Industry Support in Continuing Nursing Educational Activities at all times. Any individuals in a position to control the content of a CNE activity, including faculty and planners, are required to disclose all relevant financial relationships with commercial interests. All relevant conflicts of interest will be resolved prior to the commencement of the activity.
