

## ***APNA Acute Care Psychiatric-Mental Health Nurses: Preparing for Recovery Oriented Practice***

This full day virtual educational program discusses recovery knowledge, skills, and attitudes and focuses on facilitating change in psychiatric-mental health nursing practice. Recovery focused psychiatric-mental health nursing practice aligns with SAMHSA's national initiatives and The Joint Commission's standard on patient centered communication. This training translates across all disciplines and all disciplines are encouraged to attend.

**November 20, 2020, December 4, 2020 and December 18, 2020  
8:30am-5:30pm Central Time**

Facilitated by: Celeste Johnson, DNP, APRN, PMH CNS; Rebecca Puchkors, MSN, RN, PMHN-BC; Cornelius Metili, BSN, RN
