<p>Estimated costs</p>	<p>If we can get the tech for 1000, CEU costs, and awards that's a rough estimate of</p> <p>\$5,400 cost (80 people)</p> <p>\$4000.00 in sponsored money</p> <p>\$4800.00 in conference fees (80 x \$60.00) CEU</p> <p>Leaving us with 3,400 for other costs (speaker fees, travel, etc)</p> <p>If we only have 40 attend (40x 60) \$2400 plus catering costs would be less, we would still have \$1000.00 left over to use and break even.</p>
