**Treasurers Report:** None

**Frequency of calls:** One member had asked Dani if the meetings could be changed to a later time on the 2<sup>nd</sup> Tues (7 p.m. instead of 6 p.m.) This was tabled until the next meeting when more members can be present. There may be a conflict in other's schedules.

**Planning for the conference:**

***Dani will do the following:***

1. Email the speakers and get objectives as quickly as possible. Will get bios from them as well.
2. She will re-confirm the location/date/time/live stream with Teresa Roddy from Iowa Western Community College.
3. Once Save the Date (anyone?) and brochure (Deb) are completed, Dani will do publicity in this area (CB and Omaha) including the NE chapter.
4. Hopefully each board member will help promote it in their area as well as well as think of what geographical areas should be satellites again for live streaming.
5. Will confirm the food closer to date after discussion at future board meetings.

***Deb:*** Agreed to do registration and brochure. Dani will email her last year's brochure.

***Margaret:*** Will talk to Jen about their presentation and work on objectives/bios for them.

**Questions:**

1. Any volunteers to do the Save the Date post card?
2. Kendra, can you do the ANCC accreditation? Kendra Responded, yes. Please consult with Dani.
3. Dr. Houfek is wondering what areas specifically in adults would you prefer her to cover in regards to the DSV V. Depression? Anxiety? Schizophrenia? We've already got PTSD and BPD covered.

**Legislative Update:** There was no legislation update this meeting due to Sue's absence but please review HSB 3006 and 3009. The Iowa Board of Nursing is making revisions to the nurse practice act i.e. Chapter 152. If you want more information, contact Sue.

**New Business:** We discussed the possibility of organizing two separate phone conference for psychiatric nurses and advanced psychiatric nurse practitioners/CNS for support/questions, etc. Dani would prefer to wait until after the conference to pursue this for ARNP/CNS but Margaret agreed to contact Tandi Jo/national for the psychiatric nurses to get national's support/availability of 800 # for this purpose (old business item agenda.)

**Next meeting:** February 11, 2014.
